Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This commercial building, constructed c. 1910, is a large two story, six bay wide brick structure with a flat roof and brick corbelling. The north-east corner of the building is canted and has a round arched entranceway with modern doors. The display windows on the first floor are shaded by canvas awnings while on the second floor the windows are 1/1 in segmental arched openings.

The store's appearance has remained relatively unaltered.
